CAP Selects GLHN Architects & Engineers
Firm will provide design services for \$3 million upgrade

Tucson, Arizona (July 22, 2009)— Central Arizona Project (CAP) has selected GLHN Architects & Engineers, Inc. of Tucson to provide Pumping Plant Chiller Replacement design services for an estimated \$3 million in system improvements. The project will upgrade existing chillers and energy control systems at four pumping plants on the CAP canal at Salt Gila, Hassayampa, Little Harquahala and Bouse Hills.
